

FIGURES

Name	Description
Mag-1	Fairly small single object
Mag-2	Exposed pipe seen in sonar records
Mag-3	Single object or possible cluster of small objects off of point
Mag-4	Fairly small single object
Mag-5	Cluster of targets located on or very near the shoreline
Mag-6	Large target, initial attempts could not identify object creating signature
Mag-7	Fairly small single object
Mag-8	Fairly small single object
Mag-9	Probably a short section of pipe, seen in sonar records
Mag-10	Shoreline debris. Could be seen during the survey and in the sonar records
Mag-11	Probably a short section of pipe
Mag-12	Fairly small single object
Mag-13	Fairly small single object
Mag-14	Probably section of pipe
Mag-15	Cluster of targets located on or very near the shoreline
Mag-16	Single object or possible cluster of small objects
