SITE ACTIVITIES TO BE PERFORMED

- Complete site observation walk.

A summary of the recently collected soil gas data was posted on the Tidewater website (www.tidewatersite.com) and provided to RIDEM on August 28, 2013. Translated versions of the summary are also available on the website. A complete report describing the soil gas sampling and analyses is currently being prepared and will be submitted to RIDEM in mid- to late September 2013.

Please contact me at 401-421-4140 Ext. 2719 if you have any questions or comments.
