RE: Notification to Abutters  
Site Investigation  
Robin Rug Manufacturing  
125 Thames St.  
Bristol, RI 02809

---

We, the above mentioned abutters, request an extension of the comment period with additional time to review. We will be requesting a meeting with your group and the DEM to ask that you review the process for the abatement with us as a group so we are comfortable with understanding both the environmental impact and potential disruption to our residences and businesses.

It is our hope that this work will be transparent and collaborative so we do not have to feel concerned about our health, wellbeing and quality of life during this phase.

Thank you.

Sincerely,
